

Dear Pleasant Hill Parent,

Bus transportation services will be provided by Durham School Services for the Pleasant Hill School District for the 2024-25 school year. The school year and the bus transportation services will begin August 20, 2024, for all students. Bus service is also provided for Preview Day for every grade attending a new school on August 19, 2024.

All bus riders must register to ride the bus by July 29, 2024. If you register after July 29, 2024, we cannot guarantee transportation the first week of school. After the first week of school, if you have a bus change of address or new enrollment, we will need 2 school days to get route information processed. You will be responsible for transporting your student during that time frame. Once we get your students route information, a Durham representative will contact you with details. You will be notified the second full week of August by your child's driver or Durham representative with route information.

Discipline Procedures

We are committed to the safety of our students, with this being said, we use a discipline program called Mach Forms. If your student is given a misconduct notice, you will receive it through email notification, as well as building principals. Conduct which causes extreme safety problems may cause transportation privileges to be suspended. If this happens, parents or guardians will be notified directly by a Durham representative.
